In the Bid Book, Page 22, Section "II, WORK ASSIGNMENTS" **and** on Page 38, APPENDIX C, "BASIS OF AWARD AND ASSIGNMENT LETTERS", **ADD** the following to each as the second sentence: **"Work Assignments for the Department's specialized Snow and Ice equipment will only be assigned to contractors who have the knowledge and three or more years experience working with the department on this specialized equipment."** Make change in pen and ink.

In the Bid Book, Page 23, Section III. Requirements, **DELETE** item "k." in it's entirety and **REPLACE** with the following: **"Work on specialized Snow and Ice equipment will only be assigned to contractors who have the knowledge and three or more years experience working with the department on this specialized equipment."** Make change in pen and ink.

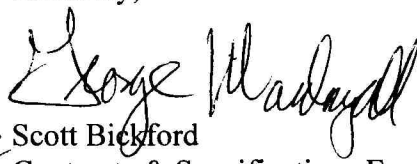

The following question has been received:

**Question:** The bid proposal indicates that the contractor must have 3 years prior experience working with the Maine DOT and on the snow and ice equipment. How are we or any contractor able to achieve this experience if our Bid may be disqualified for not having this prior experience?

**Response:** Please see the above pen and ink changes.

Consider these changes and information prior to submitting your bid on **September 28, 2011**.

Sincerely,
